Department Head Reports

Chief Reynolds reported that he had observed the parking on South Street several times and did not think the posting of “no parking” signs was necessary at this time. He said that there are only a few times during the summer that tournaments are held. Announcements will be made at the softball games to not park on the street and Superintendent Billue will inform the Softball Association who will then have the request on their entry forms. Councilperson Mummert commented that there was a lot of parking out on the street as he had been by the area two or three times the previous week. He does agree that signs do not need to be posted at this time and patrons should be encouraged to park in the North lot where there is plenty of parking space.

Superintendent Billue reported that he had received a plaque for the “Cans for Cash” award that was won for the recycling efforts. He is putting the plaque on the wall in his office at the Park.
