

Free Fishing at Bluewater Beach Park

**Hosted by the Monticello
Parks Department**

Saturday, June 3

Bluewater Beach Park

8am to 10:45am

Indiana Department of Natural Resources designates four days each spring for residents to fish without a required license. We have picked one of those dates to have a fishing clinic for all ages. Learn about casting, bait, lures and more from local anglers and have hot drinks and donuts while you learn!
