RE: Community Crossing Matching Grant Fund 2023-2

Dear Mayor Gross:

The Indiana Department of Transportation (INDOT) has completed the review and selection of projects for funding in the 2023-2 Community Crossings Matching Grant Fund Program. Your community has preliminarily been awarded \$1,000,000.00 in Community Crossings Matching Grant Funds based upon your estimates from your project application(s). INDOT will be transmitting an award letter in the upcoming weeks.

The Community Crossings Matching Grand Funds, which are administered by INDOT, will be used for funding up to 75 percent of the construction of your project or the purchase of materials. These grant dollars will enable you to help build and improve Indiana's infrastructure.

The state of Indiana looks forward to partnering with all Hoosier communities, both urban and rural, to invest in road and bridge infrastructure projects. Improvement to local roads and bridges will bring about economic development, create jobs, and strengthen local transportation networks for all of Indiana.

Sincerely,
