Residents of East Ohio Street:

The Monticello Street Department is planning to resurface E. Ohio St. next week May 3 & 4 from Hickory Lane to 1201 E. Ohio St. This schedule is very much dependent on good weather next week. If we have rain to start the week that will change our schedule. As most of Ohio St. is narrow, traffic in and out will be difficult at times and we will make every effort to get everyone in and out as soon as possible, however there will be delays. Please plan your trips and allow extra time to get to your destination. We will try to keep everyone updated as best we can as the weather and scheduling moves forward. If you have any question, please call the Monticello Street Department at 574-583-7033. Thank You for your cooperation.
